Savings Plan Benefits

-Two exams per benefit year.
(May be a combination of a limited, periodic, or comprehensive exam).

-Two cleanings per person per benefit year. (In the absence of gum disease).

-One set of bitewing or full mouth x-rays per person per benefit year. (To be determined by the dentist.)

-One fluoride treatment per person per benefit year. (Two for children)

-15% discount off our Standard Fees for all other dental treatment needed.

This program is a savings plan, not a dental insurance plan.

The plan cannot be used in conjunction with any other dental plan or discount plan.

Plans are Non-Refundable.

Discounts only available at this office.

Patient's portion is due at the time of service.

Not to be used with workers comp, medical, or automobile accident insurance.

If you choose to extend your payment for treatment by paying through Care Credit, the restorative treatment discount is reduced to 10% due to merchant fees.

Membership may be terminated if member misses multiple appointments.

Membership can be terminated for abuse or failure to pay membership fees or patient portion of treatment.

Additional member must be spouse or dependents.

There are no refunds for paid membership fees, even if the Savings Plan benefits are not utilized during the participation period.
